- Toss time is **10 minutes before** the scheduled start.
- If a team does not have 7 players for the toss, they forfeit the toss.
- No additional players allowed after **20 minutes** from game start.

3. Ground & Playing Area

Key Difference from Men's Cricket:

Women's games are played on **3/4 of the pitch**. The **30-yard circle serves as the boundary**.

Playing Area

- The playing area is **3/4 of the full pitch length**.
- The **30-yard circle is the boundary** — any ball crossing the 30-yard circle counts as a boundary (4 runs if along the ground, 6 runs if cleared in the air).
- Standard cricket stumps and markings apply within the reduced playing area.

Fielding Side

- **9 players** on the ground for the fielding side (not 11).
- All 9 fielders must remain within the 30-yard circle (boundary) at all times during play.

4. Game Rules

Match Format

Overs	Max Overs per Bowler	Players on Field
10 overs per side	2 overs	9 players (fielding side)

General Rules

- A new ball shall be used at the start of each innings.
- **No LBW** — LBW dismissals are not applicable in the Women's Premier League.
- **Leg-bye runs are allowed** as per ICC rules.
- Batters may use batting gloves.
- **5-minute break** between innings.

Summary of Key Differences from Men's Rules:

- 3/4 pitch — 30-yard circle is the boundary
- 9 players fielding (not 11)
- 10 overs per side
- No LBW
- Max 2 overs per bowler

Wide Ball

- **Offside:** If any part of the ball is inside the wide line, it is **not a wide**. The ball must be entirely outside the wide guideline.
- **Leg-side:** Any ball passing outside the leg stumps is a wide.
- **Above the head:** A ball that bounces and goes above head height is called a **wide**.

No Ball

- Full toss above waist height = **no ball**.
- **Bouncers:** Only **1 bouncer per over** is allowed. A bouncer is any delivery that rises above shoulder height. Second bouncer in the same over = **no ball**.
- All foot-fault no balls apply.

All no balls result in a free hit for the next delivery.

Other Rules

- **Run Out / Stumping:** The fielder must hit the stumps with the ball. If stumps are already broken, the fielder must uproot a stump while holding the ball.
- **Retired Hurt:** A batsman who is genuinely injured may retire hurt and return later (approved by umpire and opposition captain).
- **Retired Out:** A batsman who voluntarily retires cannot return to bat.
- **No substitute runners** — not allowed under any circumstances.

Tied Games — Super Over

1. The team batting second in the main match bats **first** in the Super Over.
2. Each side nominates 3 batsmen. Loss of 2 wickets ends the Super Over.
3. If the Super Over is tied, another Super Over is played until a result is achieved.

5. Bowling & Fielding Rules

Bowling

- Maximum **2 overs per bowler** (10 overs ÷ minimum 5 bowlers).
- Chucking rules apply — elbow extension exceeding 15 degrees is illegal.

Fielding

- **9 players** on the fielding side at all times.
- All fielders must remain within the 30-yard circle (the boundary).
- No fielding restrictions (no powerplay overs) — all 9 fielders can be placed anywhere within the boundary.

6. Umpires & Umpiring Duties

Who Umpires?

- CAP will assign umpires for Women's Premier League games.
- The umpire's decision is **final**.

Recording

- The batting team must provide a leg umpire who **records the match on phone** at all times.
- If the batting team fails to record, any disputed decision favors the bowling team.

What Can Be Checked via Recording

✓ Allowed Checks	✗ NOT Allowed
Run outs	Sound / audio — no decisions based on sound
No balls (above waist height)	
Bouncer height	
Whether a catch was taken cleanly	

7. Delays, Rain & Rescheduling

Game Rescheduling

Rescheduling Policy:

Teams can reschedule a game by **reaching out directly to the opposing team's captain**. Games can be rescheduled to **any weekday** that both teams agree upon.

 Both captains must notify CAP of the rescheduled date.

Weather / Rain Delays

- Captains and umpires will decide on playing conditions during rain.
- If both teams cannot play at least **5 overs each**, the game is a washout.
- Washed-out games can be rescheduled to any weekday agreed upon by both captains.
- If a rescheduled game is also washed out, it becomes **split points (1 point each)**.
